What does the fox say?

Story and Art by
Team Gaji

...really?

I mean...really?

4 realz?

you guys are kidding me right?

Have you not been paying any attention to the credits page of last chapter NOR to the discussion thread for the past week?

In the wise words of our moderator Nez-chan:

'I don't know why people
bother translating any more [sic].
It's not like people have the
ability to read English.'

Chapters aren't going to be released here.
We don't want to risk a lawsuit with Lezhin.
You have to pay for it. With money.
Also a smartphone, Paypal,
Google Play/ioS Account would help.

....what?

...why are you still here?

do you need motivation/incentive
on why you should spend your money
and support the author other than
'because I say so'?

*also legal consequences but whatevs.

fine. here are some screen caps of sex scenes.
also seju being beautiful.

also sungji being a beautiful cinnamon roll,
too good for this world, too pure.

fuck sumin. i don't like her much anyway..

...am I still trolling you?

jk, here are some screen caps.

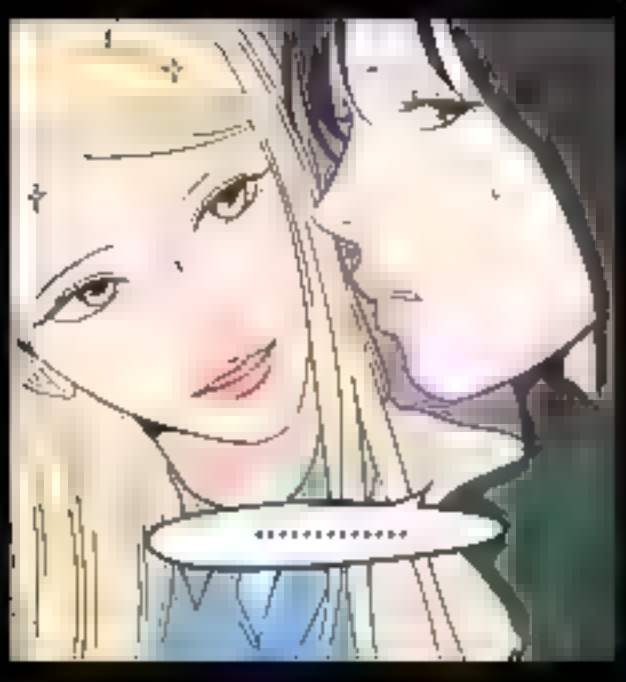
Here is Seju being angelic.
How dare you call her a hoe, halmoni?
Look at this face. Is this a face of a hoe?
Definitely not.

Here is Sungji being a beautiful cinnamon roll

Here is Sungji throwing shade
at some bitch-ass bitches

Here is Sumin,
everyone's fav. lilicon,
sizing up her prey

Here is Sumin, being a thirsty-ass bitch
and is blinded by beautiful people.



did I forget something?

oh right. seks skene.

Is that incentive enough?
Do you people actually care about the plot?

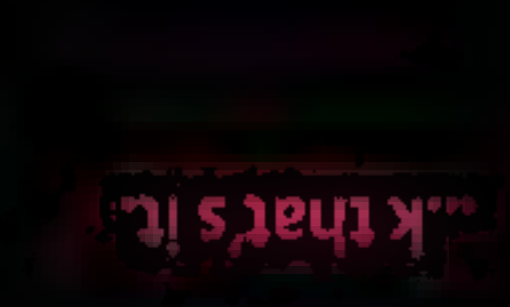
What about just killing some time whilst
Fluttering Feelings is giving you blue balls because
it'l take at least another 400 chapters for
Seol-a and No-rae to get together.

Have I mentionned that Fluttering Feelings is also
on hiatus right now?

Also we will probably never have a Seolrae
seks skene because comico is pg-13 or smth lulz.

Go buy it. It's only about 50cents a chapter.
About USD3.5 gets you 21 coins.
This will unlock 7 chapters.
You can drop it if you hate it that much.
But there are alot of sex scenes in those 7 chapters

Are you sure you don't want to invest?
It's probably cheapter than your porn subscription..



"k that's it."

The end.

drop me some hate mail in the forums.

or go to my tumblr at

*you can also check for releases.
we've done up to chapter 4 right now.

K thnx. Bai.
